Subject: [EXTERNAL] Guidance on saving ballot images

To County Election Officials:

Hi –

We have been asked by multiple counties for guidance on the ES&S configuration for saving ballot images. Our guidance is to maintain the historical practice for this type of configuration that your county has already adopted and implemented. 13-1-303 MCA identifies the materials that must be sealed and preserved (12-22 months) until disposition of the ballots has taken place.
